I can never hide myself from me.
I see that others may never see,
I know what others may never know,
I never can fool myself and so,
Whatever happens, I want to be
Self-respecting and conscience free.

I never read it in a book
I never saw it in a show
But I heard it in an alley on a weird radio
If you want a drink of water
You got to get it from a well
If you want to go to heaven
You got to raise a little hell.

I never felt it in my feet
I never felt it in my soul
But I heard it in an alley, now it's in my rock and roll
If you want to know a secret
You got to promise not to tell
If you want to get to heaven
You got to raise a little hell

I never thought it'd be so easy
I never thought it'd be so fun
But I heard it in an alley now I got it on a run
You got to find it where it fell
If you want to get to heaven
You got to raise a little hell, You got to raise a little hell

Morris

I can't believe that I am finally graduating. I came from Lyman School to Lisbon School in 1969, but it doesn't seem like it was that long ago. Lyman School might have been small, but we sure had alot of good times. Some of my memories are: My first four years at Lyman School, my 1-4 grade teacher (Mrs. Shuttleworth), Winter Carnivals, Chorus, Pops-Concert, working in the office, Phil's Drive-In, Snow Machining, the trip to Boston, the trip to Montreal (the wet tent and wet week-end), the Cabin, getting my license, my entire family, being Secretary of the Senior Class. I have made alot of friends and some I have come to be very close to and I will always remember them.

Friends are wonderful to have to share your good times and your bad. A friend will always listen to what you say, no matter its importance or it takes all day. A friend is there when you need him most, if you're in trouble or just to boast. And when you're feeling down, a friend will help you around. So when you're happy or lonesome, or need a broken heart to mend, somehow, somewhere, you'll find a friend.

The Way We Were

Memories light the corners of my mind,
Misty water-colored memories of the
way we were.
Scattered pictures of the smiles we
left behind.
Smiles we gave to one another for the
way we were.

Can it be that it was all so simple
then,
Or has time rewritten every line?
If we had the chance to do it all
again,
Tell me would we, could we.

Memories maybe beautiful and yet,
Whats too painful to remember,
We simply choose to forget.
So its the laughter
We will remember, whenever we remember
The way we were.

The way we were.

Marvin Hamlisch

Our lives go by so fast we sometimes stop and
wonder where did all the time go. My years
here at Lisbon high were a part of my life and
yours which we will never forget. Since I have
come to Lisbon I have made many new friends.
I have enjoyed my classes, for they were both
fun and interesting. I hope the class of 78 and
the other students of Lisbon get the best of
everything in the years to come. To my senior
classmates I offer my deepest congratulations
on their graduation. To the teachers my thanks
for helping me when I needed it.

Best of Luck

A SMILE

A smile costs nothing, but creates much.
It happens in a flash, and the memory
lasts forever.
It cannot be bought, borrowed, begged,
or stolen,
But it is something that is no earthly
good to anyone until it is given away.
So if, in your hurry and rush, you
meet someone
Who is weary to give a smile, leave
one of yours.
For no-one needs a smile quite as much
as he who has none to give.

He stays by me when I need him,
In times of happiness and

Some of my memorable pastimes are swimming, fishing, and just being outdoors. Good luck to everyone, you'll neet it!

In the morning when I wake up I think about not going to school. But when I get to school and see all my friends I'm glad that I came. The last eleven years have been _____ for me, but I'm finally here at the top, I have alot of people to thank for it, the teachers, my parents, my friends, and most of all my girl friend, Jeanette. I know I'm going to miss this school and all my friends, but the things you love must come to an end. When I'm gone I hope you will remember all of the good things I did and not the bad. My last words to all of you are:

I Love You and Good-By.

Class Song

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, . . . do you know?
Do you get what you're hoping for?
When you look behind you and there's no open doors.
What are you hoping for, . . . do you know?
Once we were standing still in time,
Chasing the fantasies that filled our minds.
And you know how I loved but my spirit was free,
Laughing at the question you once asked of me.
Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, . . . Do you know?
Now looking back at all we planned,
We let so many dreams slip through our hands.
Why must we wait so long before we see
How sad the answers to those questions can be?
Know?
